

5 STEPS TO UNLOCKING FEMA ASSISTANCE

1 Photograph All Damages

- Property
- Belongings
- Before Making Repairs

2 File Insurance Claim (If Applicable)

- FEMA cannot assist until your insurance claim is reviewed which ensures no duplication of benefits, a key FEMA policy
- Save receipts for any repairs & purchases

3 Gather Critical Information

- Social Security Number
- Damaged Property Address
- Phone Number & Email
- Direct Deposit Details

4 Be Prepared to Answer

- Damage type, extent, and cause
- What was damaged?
- Insurance coverage details
- Access to home and basic needs

1-800-621-FEMA

5 Monitor Your Phone/Email

FEMA may reach out to arrange an inspection. It is important to respond to any correspondence as soon as possible to expedite assistance.
