

Emergency? Pack for Your Pets Too.

THEY DEPEND ON YOU. BE PREPARED.

01

Create a Pet Go-Bag

Pack 3 days' worth of food, water, meds, supplies, and vaccination records.

02

Include Identification

Use collars with updated tags, microchip info, and keep a printed photo.

03

Know Where to Go.

Make a list of pet-friendly shelters or hotels *before* a disaster strikes.

04

Leave no paw behind.

Never leave your pet. If it's unsafe for you, it's unsafe for them.

Most people forget their pets in a crisis, don't be one of them. - Disasters happen fast. Your pet can't pack for themselves.

For more information on pet disaster preparedness, visit ready.gov/pets

Review your kits regularly to ensure that their contents, especially foods and medicines, are fresh.
