EMERGENCY ACTION PLAN

IS YOUR CAMP READY FOR AN EMERGENCY?

A proactive Emergency Action Plan (EAP) is a camp-specific, actionable plan that prepares your team to prevent, respond to, and recover from a wide range of emergencies, helping protect campers and staff, respond with confidence, and maintain operations when the unexpected happens.

WHAT'S INCLUDED?

Risk & Hazard Assessment
Identify camp-specific risks and potential threats.

Emergency Procedures
Clear, practical response steps for likely scenarios (e.g., severe weather, medical, missing camper, intruder).

Communication Plans
Protocols for internal, parent, and external communications during a crisis.

Camp-Specific Operations
Site maps, critical locations, evacuation and reunification plans, and more.

Staff Training & Implementation
Guidance, resources, and tools to ensure your team is ready to act.

Emergency Management Coordination
Connecting your plan with local Emergency Management and first responders.

NONPROFIT SECURITY GRANT OPPORTUNITY

Your EAP can help identify and document security and preparedness needs to support an application for FEMA's Nonprofit Security Grant Program (NSGP).

UP TO $200,000 PER SITE
(UP TO $600,000 ACROSS THREE SITES)

Additional requirements, including a site-specific security vulnerability assessment and application materials, are required. Funding is competitive and not guaranteed.
